Manpower & Educational Consultancy

About Us

The name **Anyonyam** is derived from Sanskrit, which means '**Mutual**' in English and '**Parasparik**' in Hindi. Anyonyam is a complete manpower and educational consultancy firm providing value added services to job seekers, students, and the employers. Anyonyam is a Delhi based consultancy, dedicated to provide quality manpower services to employers and placement assistance to working professionals. Company also provides various educational services to students and institutions of higher studies in India.

We follow a well defined strategy to accurately assess the job requirements and expeditiously achieve the targets. Our commitment to excellence and in-depth industry knowledge ensures delivery of highest benchmarks. Our trained and committed manpower backed with a highly efficient data input stands us out from others. Our access to a large database of 27 million students, job seekers, and other professionals in various institutions and industries across India enables us rich in network.

Anyonyam also acts as a business-to-business marketplace offering flexible and cost effective solutions to clients who have business interest in education sector. We provide complete career counseling and admission guidance to the aspirants of higher studies in the field of Management, Engineering, Mass-Com, Medical, and others. We also conduct spot admissions on behalf of our associate institutions across in India.

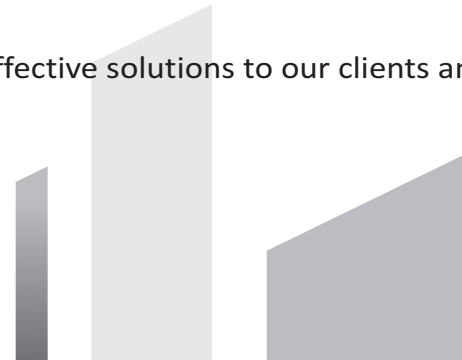

We endeavor at large to generate the highest client satisfaction by offering the high profitability in terms of time, cost, and effort. Our utmost concern for our clients ensures the best quality work and long term relationship with them. Our commitment comes from our passion. Passion for ideas, quality, and perfect solutions. We have a passion for what we do and we believe this will reflect in our services.

Vision

“Our vision is to become the most promising and known for quality Manpower and Educational consultancy firm nationwide.”

Mission

“Our mission is to provide comprehensive and cost effective solutions to our clients and complete career guidance to professionals and students.”

Core Values

At Anyonyam, we believe that our success is best reflected through the success achieved by our clients and candidates. Our beliefs and values define what we stand for and determine how we work.

Our approach comprises:

Partnership: Establishing long term mutually beneficial partnerships with all concerned to ensure best performance.

Integrity: We honestly represent our clients to candidates and our candidates to clients. We promise what we deliver.

Confidentiality: We accord the highest respect to information that we have been entrusted with.

Client First: Our utmost concern for our clients ensures highest quality work and long term relationship with them.

Anyonyam Philosophy

The future belongs to those who see the possibilities. Anyonyam helps professionals see new career opportunities and put them into action. Our commitment comes from our passion. Passion for ideas, for quality, and for new challenges. Plus the right amount of ambition to make every task possible. We have a passion for what we do and we believe this will reflect in our services.

“Our way of conduct is based on respect for each other and people in our surroundings. We strive to provide our clients with best services based on our philosophy of mutual benefit.”

Our Services

Manpower Solutions

Executive search: Our understanding of cultural fit and strong networking skills enable us to provide highly experienced talent across various industry segments. In our executive search process, focus is laid on strategy and leadership as the rich leadership skills help in better management resulting into turning around of the corporation.

Junior and middle level search: We find the right talent at the junior and middle management levels for various organizations and this is possible only by having deep insights and understanding of both the candidate and the client.

Internship: Our strong association with educational institutions provides a variety of fresh enthusiastic candidates for internship projects in the areas of marketing, finance, research, human resource, operations, etc.

Faculty placements: We provide highly qualified and experienced faculty to engineering, management, and medical colleges. We believe that quality education is the backbone of an institution, which is merely possible by its faculty resources.

Educational Services

Anyonyam is also dedicated towards providing educational consultancy services for making higher education a reality for all deserving students. Indian universities and institutes of higher education have made significant contribution in research and development in the areas ranging from engineering to management. Higher education has always fascinated the Indian students. Our strong association with educational institutions is our greatest asset.

We provide complete career counseling and admission guidance to the aspirants in the fields namely Engineering, Management, and Medical.

We also conduct spot admissions on behalf of our associate institutions across India.
